Activity age: Pre-school, Lower primary

Clues for a mystery object show-and-tell

- Show and tell mystery clues template (see attached)
- An object from home to draw and describe
- Pencil and coloured pencils or markers

1. Select an object from home that you would like to draw and describe for show-and-tell.

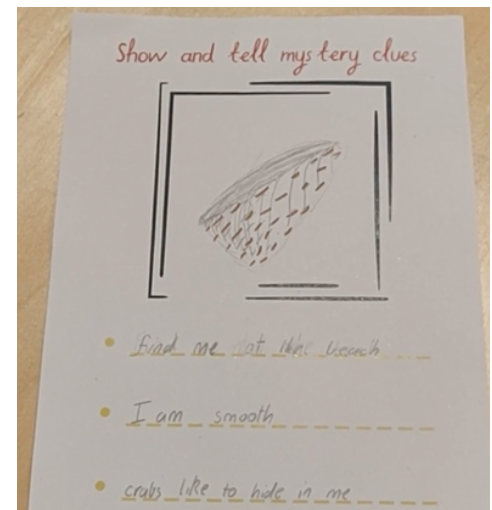

2. Draw a picture of your object with pencil, on the template attached. Add some colour if you like.

3. Think of three clues that would describe your 'mystery' object. Use some of your senses to help describe it: what does it look like, feel like, smell like, sound like and taste like (only if it's edible!)?

4. Write these down on the template below your picture. You might like to use some of these prompts to help you:

- I have...
- I can...
- I feel...
- You may find me...

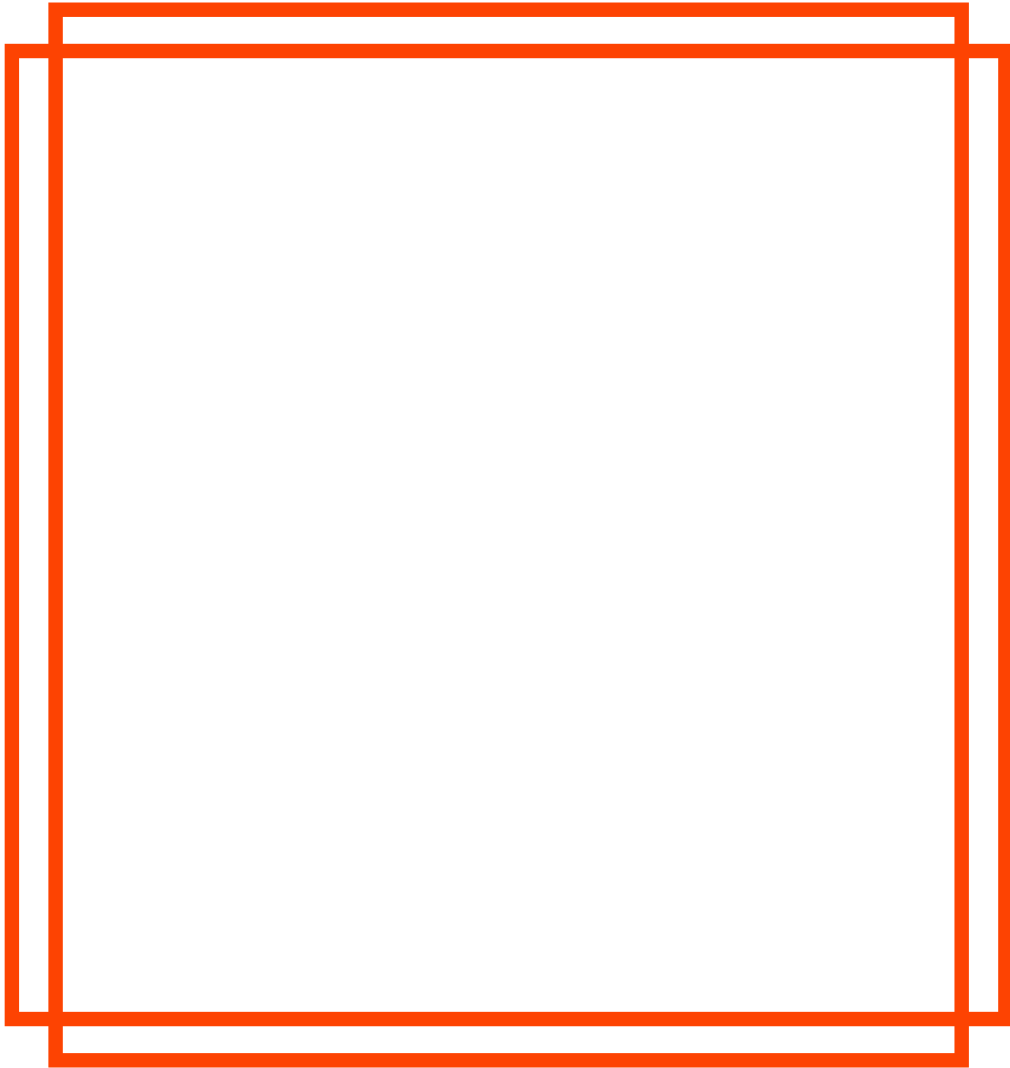

5. Read your clues to a friend - without showing them the picture. Can they guess what your mystery object is?
